Philips
Pressurized ironing system

GC6430

Up to 4 bars

Up to 90 g/min of steam

Carry-lock

Ergonomic iron

Compact design

Double your ironing speed with pressurized steam

Compact powerful ironing system with Carry-lock

Have all the convenience of a compact and portable sized system iron and double your ironing speed with pressurized steam.

Fast and powerful ironing
- Up to 4 bars of steam pressure for fast ironing
- Continuous steam up to 90 g/min for fast crease removal

Easy set up and storage
- Lock and carry your system effortlessly with one hand
- Integrated cord and hose storage compartment
- Compact design makes it easy to store and handle

Comfortable ironing
- Ergonomically designed iron for comfortable ironing
- Comfortably rest your iron safely on the mat

Reaches into tricky areas
- Steam tip lets you iron right into hard-to-reach areas

Smooth gliding
- Coated soleplate for superb gliding

PHILIPS
sense and simplicity

Pressurized ironing system

GC6430

Specifications

Comfortable ironing
- Suitable for tap water
- Extra long hose for maximum reach: 1.7 m
- Extra-long cord for maximum reach: 1.9 m
- Ergonomic Iron design: Ergonomically designed iron for comfortable ironin

Safe ironing
- Overheat safety stop: Prevents the boiler from overheating
- Four rubber feet: Ensure the stand does not slip

Weight and dimensions
- Weight (incl. packaging): 5.25 kg
- Pallet: 40 pcs
- Dimensions: 319 x 199 x 166 mm

Easy set up and storage
- Cord and hose storage: Integrated cord & hose storage space
- Carry-lock: Lock and carry your system with one hand
- Compact design: Compact design makes it easy to store and handle

Technical specifications
- Voltage: 230 V
- Frequency: 50-60 Hz
- Boiler wattage: 1370 W
- Iron wattage: 800 W
- Start-up time: 6 minute(s)
- Boiler capacity: 800 ml

Full control
- Iron temperature ready light

Longer lifetime
- Inox boiler with external heating element: Anti-corrosion steam chamber
- Calc-Clean: Simply rinse the boiler every 10 ironing sessions

Easily removes creases
- Continuous vertical steam: For hanging fabrics
- Optimal vent pattern: For the best steam distribution

Reaches into tricky areas
- Button groove: Speeds up ironing along buttons and seams
- Steam tip: Lets you iron right into hard-to-reach areas

Fast and powerful ironing
- Continuous steam: up to 90 g/min
- Steam pressure: Up to 4 bars

Product highlights

Up to 4 bars
Thanks to the high pressure, the steam penetrates deep into fabrics, giving exceptionally fast results, even on difficult fabrics.

Up to 90 g/min of steam
Continuous steam output up to 90 g/min thanks to the small amounts of water that are pumped into the boiler each time. For perfect and fast crease removal.

Carry-lock
Carrying your steam system has never been so easy. Lock your iron to the base by using the lock-lever at the back and carry the entire system with a single hand. This enables you to carry and store your system immediately and safely, anytime you want.

Ergonomic iron
The ergonomic design of the iron facilitates comfortable ironing by putting less strain on the wrist. The upward sloping handle ensures a natural position reducing strain during ironing. The iron design also prevents the repetitive movements caused by placing an iron on its heel.

Compact design
The system is so compact it's suitable for use with most ironing boards and can be stored away easily.
